# PRESIDENT'S REPORT

On a very windy and cold September evening, our 50th season started with an Acknowledgement of Country from Quakers Hill athlete and Blacktown Council Young Citizen of the Year, Emma Hoskins. Emma encouraged us to remember the ones that walked this Sacred Land before us and to be kind to each other. We were also joined by Life Members, former KLLAC athlete and Paralympian Gordon Allan, LANSW CEO Chris Giles, representatives from other Centres in our Zone and the Member for Winston Hills, Mark Taylor.

The season began with a bang, quiet literally with a wonderful fireworks display that set the stage for the excitement of the season ahead.

Our Friday night competition continued to be the cornerstone of our program, with 18 running nights during the season attended by our 332 athletes. While we didn't witness any records being shattered this season, the remarkable tally of 3,139 personal bests broken underscored the dedication and progress of our athletes. It was encouraging to see the number of athletes who took up the opportunity to train on a Wednesday night with our coaches Annika, Tyson, Mel, Doug and myself.

A very sincere thank you to everyone who made our Friday nights possible – from the crew who spent Wednesday evenings mowing and line marking, our coaches, those who came to help setup on Friday nights, our canteen and bbq helpers, our reliable track crew and Age Managers. Your dedication and generosity with your time has helped contribute to our fantastic 50th season for our athletes.

Sadly, in October we lost someone who had made a tremendous contribution to KLLAC over many, many years. Eric Emme passed away after a short illness. Eric was a Life Member, former committee member and President, Age Manager, Coach and Official and was involved in moving KLLAC from Lalor Park to Kings Langley. Throughout the season we displayed a banner thanking Eric as a sign of gratitude and respect. We thank Eric for all that he did for KLLAC and in his name we have created a trophy to be presented to a coach or official each year.

Eric was also a Life Member of the North West Met Zone. This season we had 45 athletes compete at the North West Met Zone Championships, with 15 athletes competing at Region, with Claire, Michael and Neema qualifying for the State Championships.

To celebrate our 50th season we wanted to run a gala day, but with a little difference. We ran three Sunday afternoon events focusing on the disciplines of throws, jumps and track. We had 236 athletes compete over the three events

from 34 Centres, with 49 athletes coming to more than just one session. At each event we had junior officials manage an event. Thanks to Claire Giffney, Tory Emme, Emma Hoskins and Matilda Olson (Quakers Hill) for their contribution, and to all our officials on the days. The feedback that we received was that everyone enjoyed the quick format of the sessions and I would encourage next year's committee to look to make this a regular fixture.

I would like to thank everyone who has been involved in the Committee over my four years as President, in particular our Registrar, Helen who has served in the role for the maximum of 4 years. I thank you all for supporting me in my role and entrusting me with our 50th Season activities. KLLAC is run entirely by hard working volunteers. This season we have had tremendous support which has made running KLLAC so much easier. I would encourage everyone to get involved and volunteer some time helping with the myriad of tasks that need to be done.

I am grateful for our sponsors. Daniel Hales from Artisan has been a great supporter of KLLAC for 8 years whilst Doug Jack has demonstrated his support for KLLAC, sponsoring with his business Ideal Stairlifts, as has Nathan from First Class Mobile Massage. Thank you to my business partner, Maddison who agreed to our business Wastewater & Environmental Health Consultants, being a sponsor of KLLAC. Thank you also to our other Gold sponsor, Manor Real Estate.

Thank you to Mark Taylor, Member for Winston Hills and Blacktown Council Councillor Julie Griffiths OAM for their advocacy and support over many years.

Finally, thanks to my wife Helen and children Michael and Claire. Without for their unwavering love and support, without which my endeavours would not be possible.

As I now pass the baton onto Doug and the incoming committee, I wish them every success in the seasons to come.

# TREASURER'S REPORT

Attached are the current reports from MYOB. The Standard Balance Sheet and the Profit and Loss statement for the financial year 2023-24, also available is our current Asset Register showing equipment we have on hand

In summary the current balances of the accounts as at 31 March 2024 are:

KLLAC Cheque Account	\$56,419.28
KLLAC Term Deposit Account	\$11,095.21

Our Total income for the year was \$62,102.12 up by 13.4% from the previous year. The main components were:

	<b>Current Year</b>	<b>Last Year</b>
Registrations	\$20,811.29*	\$18,990.19
Uniform Sales	\$5,650.84	\$4,051.12
Canteen Sales	\$17,310.48	\$7,466.56
Canteen Sales – BBQ	\$0.00^	\$12,966.41
Sponsorship	\$13,000.00	\$10,500.00
<b>TOTAL INCOME</b>	<b>\$62,102.12</b>	<b>\$54,770.28</b>

The purchase of Canteen and Uniform stock for the year was \$12,432.74 down by 6.4% from the previous year:

	<b>Current Year</b>	<b>Last Year</b>
Canteen Stock	\$11,831.74	\$4,429.96
Canteen Stock - BBQ	\$0.00*	\$4,541.58
Uniform Stock	\$464.00	\$4,250.00
Total Cost of Sales	\$12,432.74	\$13,285.54
<b>GROSS PROFIT</b>	<b>\$49,669.38 +20%</b>	<b>\$41,484.74</b>

Total Expenditure for the year was \$41,328.41 up by 96.70% from the previous year with the major items being:

	<b>Current Year</b>	<b>Last Year</b>
Canteen additional expenses	\$5,653.99	\$1,427.75
Events and Functions	\$8,276.99	\$96.00
Field Maintenance	\$9,585.41	\$9,444.36
Uniform Supply	\$11,498.47	\$60.43
<b>TOTAL</b>	<b>\$41,328.41</b>	<b>\$21,015.85</b>

Our overall profit for the year is \$8,340.97 compared to a \$20,468.89 last year which is a decrease of 59%. This is partly due to an increase of spending on canteen equipment including a new fridge and slushie machine totalling \$5,485.00. Our overall profit still remains in strong position thanks to an increase in registrations and excellent weather. We also introduced Sunday Special Sessions that were successful in increasing additional income.

Our income from registrations remains strong, up 9.6 percent for this year despite Active Kids vouchers dropping off. Total registrations were up from last year (331 vs 305).

Our uniform sales increased due to higher registrations to \$5,950.84 an increase of 40% over the previous year. Our uniform expenses increased this year although we should have plenty of stock on hand. All returning athletes also received a fiftieth anniversary shirt.

Our Sponsorship income for the year was up on an already impressive year previously to \$13,000.00. I would like to thank all our sponsors for their support over the 2023-24 season - Gold sponsors Ideal Stairlifts, Artisan, Manor Real Estate and Wastewater and Environmental Health Consultants; Silver sponsor First Class Mobile Massage and Bronze sponsors JAW Trophies and Sports and Bec's Fruit and Veg boxes.

A few other items complete our income figures for the year leading to a total income of **\$62,102.12**. Against this, our total Cost of Sales was **\$12,432.74** made up of Canteen, BBQ and Uniform stock purchases. ^Canteen sales and canteen BBQ sales were not broken up this season due to time commitments.

Our total expenditure for the season was **\$41,328.41** of which the major items are field maintenance and uniform supply that this year was entered in expenses instead of cost of sales\*. This included the purchase of a new fridge and slushie machine.

The funds in the Term deposit, **\$11,095.21** are still available if we need them as these has not been earmarked for use at this time.

Kings Langley LAC remains in a strong financial position thanks to our sponsors, volunteers and healthy registration numbers. Thank you all for making our 50th season one of our best and I look forward to seeing you all next season. For anyone wishing to volunteer please see a committee member.

Thanks

## Registration fees

In the 2022-23 season, Little Athletics NSW (LANSW) increased the fee they charge per athlete. We therefore increased our fee to enable our Centre to remain viable.

In the 2023-24 season, LANSW made the decision:

- not to increase the fee per athlete, and
- to decrease the fee for each Tiny Tot registration by \$20, in recognition of the lower cost to the Association of these athletes as they do not go to the Zone, Region or State Championships, and are also not eligible for support through the NSW Government Active Kids Vouchers.

Kings Langley Little Athletics Centre therefore determined that for the 2023-24 season, registration fees:

- remain the same as for the previous season (\$150) for U6-U17 registrations
- reduce by \$20 to \$90 for Tiny Tots registrations.

The table below is a comparison between registration fees charged over the past 3 seasons across our Region. This shows that our fees remain competitive with those charged across our region.

# VICE PRESIDENT'S REPORT

Here we are again at the end of another great year of Little Athletics. As we close this year with our presentation day and AGM and the election of new committee members, we can start to look forward to the new season and enjoy a full season of fun and competition on the track and the field.

2024 is an Olympic Year with these Olympics being held in Paris. It's a great opportunity to see how the very best athletes perform and to build some enthusiasm among our Olympians of the future.

Since the close of our season we've also seen the emergence of the new NSW Athletics Partnership bringing together Athletics NSW and Little Athletics NSW into a peak organisation with some exciting new competition opportunities for the future and seeing an end to years of political struggles between the peak athletic bodies. While it won't change too much at our centre level, any changes that do come through will only serve to improve our sport for all. Daniel and I attended the partnership launch meeting at SOPAC and left thoroughly encouraged by the outcome.

We had a fantastic season at KLLAC with a continuation of our growth in numbers and we look forward to seeing more of this in the 2024/25 year.

Throughout each season there are many competitions outside of KLLAC run by both clubs and the association. We have our Zone and Region events where our athletes compete against other clubs from our surrounding areas and progress through to the next level, the very best going on to State and even National competitions. This is really where we put what we learn on a Friday into practice in the real world... and have a lot of fun and make new friends at the same time.

There are also many other club gala days, multis and events all around the state - and what better way to see new places and meet new people, while having a run, throw and jump and hopefully bringing home a few medals too.

Next season I encourage you all to get out and join in with the outside events. They really help to consolidate the skills, they give the kids great experience of competition too. Our new marquees bustling with enthusiastic young KLLAC athletes is a heart warming sight to see.

A big thank you to all of our fantastic age managers, committee and other volunteers and also, of course, our sponsors. Without this great group of people helping out week after week, we couldn't run the centre.

We have a number of committee, age manager and other volunteer positions that need filling this year. The club cannot run without this wonderful group and realistically the positions can only be filled by our athletes parents and families so however much, or little, time you can spare we ask that as many as possible step up keeping KLLAC as good as it can be for our children. Your children.

Finally, a special note of thanks to Daniel Giffney, our President over the last 4 years. Our centre constitution does not allow him to continue in this role for more than 2 consecutive 2 year terms and so he has to step down. Daniel's endeavours, his commitment and enthusiasm have touched each and every one of us. It's now time for someone else to step up and fill those (rather large) shoes.

Doug Jack  
Vice President

# SECRETARY'S REPORT

Well done we made it to the presentaion day and AGM. This marks the end our season and with it a very regretful and sad goodbye to our President Daniel Giffney. We are so lucky to have had all his dedication, love, passion, knowledge and support over all these years. We wish him all the best in his future journey and are extremely grateful and appreciative of all that he has done not only for the centre but for each athlete that has been lucky enough to have been coached and supported by him.

This year we celebrated 50 Years of KLLAC. We started the season off with fireworks and we had amazing weather right up until the last few weeks of the season.

We watched these amazing young athletes compete in gala days, state Region and State championship events.

Their support and friendship blossoming not only on centre level but all age group levels across these events as they support and cheered on their family, friends and competition.

This season we farewelled a KLLAC life member and friend to many, Eric Emme. Eric left us with family and friends who are just as committed and valuable to KLLAC as he was. We would love to see the same passion and club dedication shine through them and KLLAC members new and old.

This year we saw weekly PBs and the excitement on faces as these young athletes set another new goal to challenge themselves with the following week. The support they have from family, friends and each other is warming to see. Goals being met and smashed each week thanks to their dedicated and attendance at training and FUNdamental nights with Annika, Tyson, Mel, Doug and Daniel.

Our Coles Fun run night and the support from Brandon Starc helped show our athletes that big dreams can be achieved if you set your mind to it, you can do anything - the 2024 Paris Olympics will once again support how from a local level, athetes' big dream can be achieved. So I would encourage you watch our Aussie teams and cheer them on, set goals with your children and help dream big. Who knows, there might be a Gold medal Olympian among them.

As we start to enter into our new Season 2024/2025, we welcome new faces, new families and new athletes to the centre.

We welcome you all to support the centre as much as you can. We need all hands on deck to make these night run as smoothly as possible, so if you're a BBQ whiz we welcome you to come help, parent/grandparent/aunty/uncle/older brother or sister who would love to become an age manager and help these future superstars achieve their goals and dreams we welcome you to the new season with warm open arms. These fantastic nights cannot happen without the support from families and committee.

Thank you to all the parents, families, committee members and children that have helped this season, we hope you all stay along for the ride.

# **PENNY HAYES MEMORIAL TROPHY**

For significant contribution by a committee member

Penny Hayes was involved with Kings Langley Little Athletics Centre between 1998 and 2007. Penny was an Age Manager and Committee Member and was recognised for her significant contribution to the Centre in 2007 with Life Membership.

Sadly Penny passed away in January 2018. In consultation with Penny's family, we have created a perpetual trophy in Penny's memory to recognise the contribution of a Committee Member which is determined by a representative of the Hayes family and two Life Members and the President.

The 2023/24 Penny Hayes Memorial Trophy is awarded to Jake Strothers.

This season was Jake's first on the committee as Groundsman. Jake was responsible for having the grounds mowed and line marked each week, which was normally carried out on Wednesday nights.

On Friday nights Jake could be found volunteering on the barbeque.

Jake has brought a positive and fun attitude to all the work that is required. Congratulations Jake.

# **LIONS CLUB VOLUNTEER AWARD**

Kings Langley Little Athletics Centre relies upon the generosity of our members to assist in running the Centre for the athletes.

The Lions Club Volunteer Award is awarded to a non-committee member who embodies The Lions Club's motto of 'We Serve'.

The 2023/24 Lions Club Volunteer Award is awarded to Rebecca Simai & Cassie Miliatis

Rebecca and Cassie have volunteered on the track computers most weeks during the season. Their assistance has been invaluable and enabled the smooth running of our track.

# **ERIC EMME TROPHY**

For significant contribution by a coach or official.

Eric Emme was a former President of KLLAC and was instrumental in having KLLAC move from Lalor Park.

As Eric was a dedicated coach and official, we have named a trophy in Eric's name that will be awarded to a coach or official who makes a significant contribution during the season.

The inaugural recipient of the Eric Emme Trophy is Annika Ward. Annika was a former KLLAC athlete and Centre Captain who has volunteered in the Coaching Coordinator role.

Annika has grown into the role, with many of the athletes who received awards this year being regular attendees at her training.

Annika has also assisted with officiating at our Sunday Special Sessions and at Zone. Congratulations Annika.

## Excellence in Commercial Refrigeration

The Artisan Age Group Participation trophy is awarded to the Age Group with the highest percentage of athletes that compete on Friday nights during the season.

Congratulations to the **UNDER 10 GIRLS** and Age Manager Alisha Sinclair who win this year's Artisan Age Group Participation Award with 72% attendance.

The Wastewater & Environmental Health Consultants Rising Star Award is awarded to two talented athletes who have a bright future in athletics.

Congratulations to **Neema Muia** and **Tenaen Hoerler!** Wastewater & Environmental Health Consultants will cover their registration fees for the 2024/25 Season.

**5. SPECIAL RESOLUTION – NERIDA DUNCUM**

Clause 5.2 of the KLLAC Constitution allows the Committee to recommend to the Annual General Meeting any natural person who has rendered distinguished service to the Centre for life membership.

Nerida Duncum first became an Age Manager in the 2014/15 Season, when she took on the Under 9 Boys. Nerida stayed with that group until 2020/21 when they were in Under 17s.

Nerida has also been involved on the KLLAC committee in various roles since the 2017/18 season, including Child Protection Officer, First Aid Officer, Records & Rankings Officer, Age Manager Coordinator and Volunteers Coordinator.

Nerida's professional experience in education of special needs children has been invaluable in supporting the committee in working on a variety of matter with our athletes.

In 2022 Nerida was awarded the Penny Hayes Memorial Trophy in recognition of her contribution to KLLAC.

After 9 years of service to KLLAC, the Committee recommends to the Annual General Meeting that Nerida Duncum be offered Life Membership.

Moved: KLLAC Committee

CARRIED BY ACCLAMATION

**6. SPECIAL RESOLUTION – JEFF DUNCUM**

Clause 5.2 of the KLLAC Constitution allows the Committee to recommend to the Annual General Meeting any natural person who has rendered distinguished service to the Centre for life membership.

Jeff Duncum began his journey as an Age Manager during the 2015/16 Season, where he took charge of the Under 8 Boys. His commitment to this group has been unwavering, extending his care and guidance as they progressed to the Under 17s, which now includes both boys and girls, along with the Under 15s. Jeff's leadership has resulted in his group receiving the Artisan Award multiple times for achieving the highest participation rates in the season.

Beyond his role as an Age Manager, Jeff has consistently contributed to the smooth running of our Friday nights. He regularly assists in setting up the long jump pits, ensuring the sand is properly prepared, and lends a hand in the post-event pickup efforts.

Jeff has also generously volunteered his time as an official during our Zone Championships, helping KLLAC fulfill its commitments. His reliability and dedication are further evident in his willingness to assist with packing up after long weekends under the sun.

With 8 years of outstanding service to KLLAC, the Committee recommends Jeff Duncum for Life Membership to the Annual General Meeting.

Moved: KLLAC Committee

CARRIED BY ACCLAMATION

**7. SPECIAL RESOLUTION – NEW SOUTH WALES ATHLETICS**

**Motion:** That Kings Langley Little Athletics Centre supports the formation of New South Wales Athletics as a pathway for athletes and congratulate Little Athletics NSW and Athletics NSW on the partnership.
